

# FAMILY ADVOCACY PROGRAM FOSTER CARE SERVICES

## BE A STAR!

Be a star in a child's life! The Family Advocacy Program is looking for family oriented people to become part of a professional team that is working to keep children and families together. Foster care can be a challenging and rewarding way to make a difference in a child's life. Children in foster care need to feel nurtured and safe. Family Advocacy is seeking caring homes for short term placement. If you believe you would like to be a star in a child's life, please contact the Family Advocacy Program today.
